CHAPERONE INFORMATION BRIEF

General Overview of Conference:

The Gathering Our Voices Aboriginal Youth Conference is hosted by the BC Association of Aboriginal Friendship Centres (BCAAFC) and their Provincial Aboriginal Youth Council (BCAAFC - PAYC). The Conference will be held from March 18-21, 2014 in Vancouver, BC at the Hyatt Regency and Fairmont Hotel.

With up to 2000 youth (14-24years), chaperons, presenters and guests will network and learn new techniques and skills in workshops, share knowledge through cultural activities, witness performances by talented individuals, explore career and education possibilities and participate in sports and recreational activities.

Rules and Respect:

Please see the full conference code of conduct on page 2. Always remember that youth and chaperones must be respectful in every sense and that you are representing your communities to the best of your abilities.

What to Expect:

Expect to have a lot of fun, be active and learn a lot from the whole conference experience.

Responsibility of Chaperones:

Please make sure that your designated youth are with you **AT ALL TIMES** when not attending workshops. We request you do not simply drop off your youth at the conference site and leave them alone. **Note** that this applies to all evening activities, including the dance, where chaperones are expected to arrive and remain in attendance with their youth until the group leaves as a whole.

Vancouver is a city and it is important to keep a very close eye on your youth. We also want to make sure that the youth are going to the workshops and if they are not participating that they are with you.

There will be no alcohol and drug use tolerated by YOUTH or CHAPERONES at any time on your way to the conference, during the conference or on your way home from the conference. We are all trying to set a good example for our youth and promote healthy living in our communities.

You are responsible for your youth delegates at all times. Remember that you are a role model for the youth and should conduct yourself in a manner accordingly.

Speaking to Youth Before Arrival at Conference:

We are asking all chaperones to please speak to their youth before arrival in Vancouver. If you could please let your youth know what to expect at the conference, how to behave, how to be respectful, debrief on curfew, as well as rules and regulations that would be greatly appreciated.

Thank you for your time and consideration and let's make the 12th Annual Gathering Our Voices Aboriginal Youth Conference run smoothly and go off without a hitch!

Please contact me if you require any further details.
