

Gathering Our Voices

12th Annual Aboriginal Youth Conference

Gathering Our Voices Go-Green Challenge

The aim of the Go-Green challenge is to find out what positive changes and actions youth have taken in the past year (since April 1, 2013) to improve the environment and to encourage youth to make changes and take action. We are looking to register youth in teams (maximum 5 people) or as individuals to outline how they are taking action in their communities to improve the environment.

Here are few ideas of where to start:

- Clean Up A Stream Or Park
- Create A Compost Pile
- Reduce your energy usage by turning off everything that wastes electricity.

Guidelines

- Teams/individuals must submit a 250 word description of their green choices and actions with a picture related to your go-green activity.
- Submission must be received by March 1, 2014.
- Eligible individuals/teams must be made up of Gathering Our Voices delegates, and be present at the conference to win.

For ideas on how you can make greener choices please visit the [Facebook](#) event page. We look forward to hearing your innovative ideas about how we can take better care of our environment.

Prizes

There will be two categories of winners:

1. Most innovative and impactful individual/team environmental action will win a mountain bike for each team member.
2. Each eligible team will be placed in a random draw to win an environmental prize.
